O.L.A. Fall Festival

By: Paige Meredith

The fall festival is a family event that Our Lady of Angels has been doing for years. Over the years the festival has changed. A few years ago the festival had rides and games. In 2017 the festival

changed a lot. Now there are games, bounce houses, rock climbing, and laser tag. The fall festival is a great time to hang out with family and friends. The Treer family stated, "We will for sure come again, it was so fun for the kids and great for the family." Most people's favorite activities were the games. Kelly

Foster said, "My favorite thing was the games and most of all, I loved the prizes." The fall festival is one hundred percent one of the best activities for families to bond. Mr. Buckin, a police officer providing security stated, "I would love to come back next year. It's just the best, and great for family bonding. The kids love it and really enjoy themselves." The fall festival is an amazing experience. We hope to see you all there next year! 🐾

Teacher Spotlight on... Mrs. Docherty

By: Willa Kenny

Mrs. Docherty is the new 7th & 8th-grade reading teacher! She originally grew up right here in Cleveland and this is her first time having her own classroom. She graduated from Miami University in Cincinnati, OH, and is thrilled to be back in her hometown. Some of her favorite activities include reading (of course), journaling/writing, playing the piano, and she also enjoys playing basketball. Her favorite part of teaching is getting to know the students. She says that each student is different, and she enjoys helping the students learn their strengths and weaknesses. In college, she majored in journalism and education, and she likes to get the story behind the students. That is why she is also helping out with the newspaper this year. Everyone, welcome Mrs. Docherty to OLA! 🐾
