Letter From The Pastor

Dear OLA School Families,

For I know well the plans I have in mind for you—so as to give you a future of hope. Jeremiah 29:11

This quote from the Prophet Jeremiah is our theme for the 2022-2023 school year as we walk forward into a future full of hope here at OLA. I want to welcome back returning families as we begin our 99th year of exceptional education, and thank those who are new to OLA School for choosing OLA as the institution for the edification of your child(ren) in academics and in the Faith. As parents, you are the first and formal teachers of your child(ren), and we are here to assist you in any way that we can.

OLA School is dedicated to the education of every child to provide them with the tools to become responsible, dedicated, and faithful members of the Church and society. Together, let us work to make this school year a success.

Please take the time to read through this handbook. This handbook is designed to inform you of School policies. Through the observance of these policies, the staff, and you as parents, provide a safe, disciplined, and nurturing environment in which your child(ren) may learn. Your cooperation in observing School policies as outlined in this handbook is appreciated and expected.

Once again, let us have a great and successful school year. Please feel free to contact me with your concerns, questions, or comments.

Peace,
Fr. Rob

Letter From The Principal

Dear OLA Families:

The faculty and staff at Our Lady of Angels are excited to welcome students to the school for the 2022-2023 school year! After several years of dealing with the COVID-19 pandemic, we look forward to what will hopefully be a full “return to normal” this year. The faculty and staff are dedicated to the education of each child at OLA. We take this responsibility to help your children grow to be individuals of wisdom, faith and passion very seriously. To accomplish this task, we strive to keep our lines of communication open with you and your children. All families are strongly encouraged to keep up with their children’s progress on Digital Academy and communicate with the teachers through Digital Academy or email.

In order for our educational mission to be successful, it’s imperative that the parents/guardians are on the same page as the school. Help us to uphold the guidelines that are set forth in this handbook. As you read through this handbook, please make sure that your children are aware of the expectations that are placed on them at school. We look forward to the year ahead and supporting your child in their growth.

May God continue to bless you, your families, this school, and each and every one of our students.

Sincerely,

Matt Falk, Principal
and the Faculty & Staff of OLA

Mission

PHILOSOPHY AND OBJECTIVES

Our Lady of Angels School educates each child by providing a religious and academic climate in which to grow and learn. Our teachers strive to integrate religious truths and values with academic knowledge and skills so that students achieve their highest intellectual and moral potential. As members of the school community, students are prepared for responsible Christian living, a respect for self and others and an awareness of the privileges and responsibilities of American citizenship.

Realizing that parents are the first and primary teachers, the school strives to provide the best possible assistance to them in the guidance, inspiration and instruction of their children. To this end, the school is dedicated to educating the child spiritually, culturally, socially and intellectually to meet the immediate goal of preparation for life and the ultimate goal of eternal salvation.

Our Lady of Angels School, in cooperation with the parents and parish community, pledges itself to the following:

- To assist our students in acquiring the knowledge, skills, habits and attitudes necessary for making sound judgments based on Christian principles.
- To develop in our students an awareness and sense of Christian values in concern for the betterment of the world.
- To encourage our students to make the most of their creativity and talents to share their gifts at home, at school and in the community.

Enrollment Policies

ADMISSIONS POLICY

Our Lady of Angels School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

If enrollment space is limited, enrollment for active members of Our Lady of Angels Parish may be prioritized. An active member of Our Lady of Angels Parish is one who is registered in the parish, attends Mass each week, makes regular offerings to the mass collections, and is involved in activities in the parish and/or school. A list of active parish members will be maintained by the rectory staff.

ADMISSION OF NON-CATHOLIC STUDENTS

Our Lady of Angels welcomes students of all faiths. It is important to recognize that OLA is a *Catholic* elementary school. As such, we adhere to the philosophy of Catholic Education and we live by the Mission of the Roman Catholic Church. All students are required to attend daily religion classes grounded in the teachings of the Catholic Church. All students are also required to attend all-school liturgies scheduled during the school day.

KINDERGARTEN

Applications for Kindergarten are distributed in late January/early February. Final acceptance for registration is at the discretion of the pastor and the principal. Each spring, incoming Kindergarten students are assessed for school readiness. The screening is used to assist parents and the school staff in making an assessment of a child's particular readiness needs. Parents are notified of the screening results.

TRANSFERS

In case of a student transferring from other private schools, all financial obligations must be met at the previous school before the registration will be accepted and processed. All students new to Our Lady of Angels School in Grades K-8 are required to complete an entrance assessment. When a child is transferring from one Catholic school to another, Our Lady of Angels School contacts the former school for information regarding the student.

If you decide to withdraw your child from Our Lady of Angels for any reason, please contact the school office for details. You will be asked to sign a **Withdrawal Form** so that we may conclude the records of your child's attendance at OLA and prepare your child's records for transfer to their new school. The new school will require you to complete a records transfer request which they will send to OLA. Report cards and academic records will not be sent if tuition and fees are not up to date. If tuition has been paid beyond the date of transfer it will be prorated and refunded. Unused state scholarship funds are returned to the scholarship office.

PARENT PARTICIPATION

The primary responsibility for the education of the children belongs to parents. However, this responsibility is shared with the school as a matter of practical necessity. The greatest single factor in building a child's intellectual, cultural, moral and spiritual attitude is the **EXAMPLE** you provide in your home.

Parents are responsible for:

- Modeling and supporting your child's practice of the Catholic Faith.
- Supporting school policy and the authority of the administration and teachers.
- Encouraging your child to complete all assignments. (Getting involved with your child's work such as checking to see that all assignments are completed.)
- Insisting that your child obeys the regulations and principles of good behavior.
- Discussing problems with the persons concerned.
- Following the policies and procedures stated in the handbook.
- Paying all fees (tuition, education, lunch, etc.) on time.
- Reimbursing any property destroyed (accidentally or intentionally).

Tuition and School Fees

The tuition for the 2022-2023 school year is \$5500.00 per student. Tuition covers only a portion of the actual cost to educate each child. The remaining costs are covered by state and federal programs as well as financial support from the parish and other organizations.

Tuition payments may be made in one of the following ways:

- Annually, in August.
- Facts Management Tuition Payment Agreement Plan. Monthly payments will be automatically withdrawn from checking or savings accounts.
- Paid by state scholarship

In addition to tuition, a yearly **non-refundable** student Registration Fee of \$150.00 is charged for every child attending Our Lady of Angels School. The Registration Fee is used to process a child's records and to purchase materials required to provide a place for a child. This Registration Fee may increase if returning families do not pay by a designated deadline.

A yearly Technology Fee of \$100 is charged for every family with children attending Our Lady of Angels School. This fee is used to keep all aspects of technology within the school updated.

Tuition and all fees must be current for report cards and progress reports to be received and transcripts to be issued (including High School Applications and Diplomas), as well as access to the online communication system. Tuition must be received on time. Families who are not up to date will be asked not to send their children to school until tuition is current.

Academic Policies

CURRICULUM

Our Lady of Angels School follows the curriculum requirements, which are determined by the Department of Education of the State of Ohio, and the Office of Catholic Education and Formation of the Diocese of Cleveland in all subject areas.

STUDENT INFORMATION SYSTEM (SIS)

The Digital Academy is an electronic grading/communication resource which is provided to our families. Parents and students have the ability to monitor progress weekly as well as most communication from the school to the home. Each family and student is provided with access. It is expected that all families utilize this service.

REPORT CARDS

Report Cards are issued four times during the school year to keep you aware of your child's achievements and attitudes concerning his/her studies and school activities. Report cards will be issued online one week after the end of the term through our SIS (Digital Academy) and must be acknowledged by a parent/guardian through that system. Families who want a printed copy of the report card can make an appointment to pick one up at the school office. **Please Note: Report cards will be withheld if tuition and fees are not current and until the checks have cleared the bank.**

MARKING CODES/GRADING

Our Lady of Angels uses 2 different marking systems depending on the grade of the child. The A-F system is used in all classes in upper grades. The OSNU system is used for younger grades.

| Grade | Max % | Min % | Grade | Max % | Min % |
|-------|-------|-------|-------|-------|-------|
| A+ | 100 | 98 | O | 100 | 93 |
| A | 97 | 95 | S+ | 92 | 87 |
| A- | 94 | 93 | S | 86 | 79 |
| B+ | 92 | 90 | S- | 78 | 77 |
| B | 89 | 87 | N | 76 | 70 |
| B- | 86 | 85 | U | 69 | 0 |
| C+ | 84 | 82 | | | |

| D | 74 | 72 | | | |
| D- | 71 | 70 | | | |
| F | 69 | 0 | | | |

SCHOLASTIC AWARDS

At the end of each quarter students are eligible to receive academic awards. The criteria to qualify for the awards are as follows:

| | |
|--------------------|---|
| Merit | 87% - 92% |
| Honors | 93% - 96% |
| High Honors | 97% - 100% |
| Excellence | 97% - 100% All four quarters during an academic year |

Teachers will select students who have shown effort to improve their work or conduct to receive the Effort Award. Students who have consistently demonstrated a cooperative attitude in following school and classroom rules will be eligible for a Citizenship Award.

A student receiving a D, F, or U in an academic area on his/her report card is ineligible for a quarterly academic award. A student receiving a U or N in conduct on his/her report card is ineligible for the Citizenship Award.

ACADEMIC PROBATION

Students will be placed on Academic Probation when they receive two "F" grades, three or more "D" grades or any combination of these grades in the major subjects (English, Reading, Math, Science/Health, Social Studies). A student is placed on Academic Probation for one full quarter. During this grading quarter, it will be the student's responsibility to monitor his/her own progress in those subjects where grades are below average. If, at the end of the quarter, the student has improved and no longer has two "F's" or three grades below average, he/she will automatically be removed from Academic Probation.

At year end, all students must pass three of the five major subjects (Reading, English, Math, Science, Social Studies) in order to be promoted to the next grade. Students who do not show improvement or increased effort may be asked to attend summer school to be promoted or asked to enroll in a different school.

RELIGIOUS EDUCATION

Religion is taught on a regular basis. Attendance at weekly Masses is considered central to the religious education of your children. Parents are invited to attend these liturgies which are planned by the children throughout the year. Parents attending weekly masses are asked to sit behind the student body or on either of the side sections of the church; parents are asked to sit with their children only at specially designated masses. In general, students in Grades Kindergarten-8 attend the 8:00 a.m. all-school Mass each Wednesday. In addition to attending Mass, the children pray together in their classrooms and participate in other para-liturgical celebrations. Children are also given the opportunity for the reception of the Sacrament of Reconciliation throughout the year.

The students in Grade 2 will receive the Sacraments of Reconciliation and Holy Eucharist for the first time. Students in grade 2 are expected to be baptized prior to the start of 2nd grade if they have the expectation of receiving First Communion in the spring. The baptized Catholic students in Grade 8 will receive the Sacrament of Confirmation.

PROMOTION AND RETENTION

Promotion is based upon recommendation of the teacher, in accordance with the following principles:

- A pupil is promoted on the basis of his/her mastery of work on the grade level.
- To be promoted a child should have at least a general average of D.

To be promoted a child must pass three of the five major subjects (English, Reading, Math, Science, Social Studies) when an average of the four quarters of the school year is determined. Parents, teachers, and administration will meet on a regular basis no later than the end of the first semester if there is a chance that a student may be failing. Summer school may be required prior to promotion into the next grade level. All final decisions related to retention will be made by the administration.

- Students who fail a core subject of Reading, Math or English for the year will be required to attend summer school to be promoted to the following year.
- Social promotion is not recommended.
- Students in 3rd grade must receive a passing score on the state-mandated test in order to be eligible for promotion.
- All final decisions regarding whether or not a student is retained will be made by the administration.

Parents will be asked to sign an educational waiver accepting full educational responsibility for refusal to retain a student. In extreme educational situations, a student may be asked to transfer to another school that meets the student's needs.

TESTING

Students in Grades K – 8 are given the MAP (Measure of Academic Progress) tests three times throughout the school year. Parents are notified when testing begins and when the results are returned. Test results are one of the most effective ways to evaluate our students' academic growth in comparison with local and national norms.

HOMEWORK

The purpose of homework is threefold. First, it is designed to reinforce the lessons developed during class time. Second, it provides opportunities for enrichment and skill development through research assignments. In this case, the homework is extended over a period of several days or weeks. Third, it accomplishes one of the most important objectives of education – namely, to help the student learn to study independently.

Homework requirements are determined by the classroom teacher. The suggested minimum time is as follows.

| | |
|--------------|-----------------|
| Grades 1 - 3 | 30 – 60 minutes |
| Grades 4 - 5 | 45 – 90 minutes |
| Grades 6-8 | 60-120 minutes |

The actual amount of time spent on homework varies from student to student. Family activities and time management play a part in the amount of time needed to complete homework. Teachers typically allow time for students to begin homework in school; some students may finish homework during this time while others need to complete homework outside the school day. Parents should monitor the amount of time a student typically spends doing homework and alert the appropriate teacher if such time seems to create a difficulty for the student.

Each teacher will send home his/her homework and classroom expectations during the first week of school. It is important that there is a positive partnership between the parents and teacher in assuring the success of each student in his/her academics. Homework and classroom expectations are key components to the student's success; it is critical that all parties are aware of the school and classroom policies.

Daily Procedures

| Grades 4 & 2 | 12:05 | 11:45 |
| Grades 1 & K | 12:30 | 12:50 |

(Kindergarten students will snack time in the 10 o'clock hour)

Our Lady of Angels will not be responsible for any children on school property before **7:15 a.m.** All students arriving between 7:15am and 7:30am **MUST** be attending breakfast in Linus Hall. For your child's safety and protection, it is most important that your child remain on the school property upon arrival. During the school day, children will not be given permission to leave the property unless a note or phone call is received from a parent. A parent or other designated adult **MUST** sign out and accompany the student off the school property.

The school office is open on all school days from 7:00 a.m. until 3:30 p.m. Since teachers are responsible for the instruction and supervision of their students, **families should not expect to be able to reach teachers during school hours.** Individual conferences may be scheduled via email at a mutually convenient time.

SCHOOL SECURITY

In an effort to ensure the safety of our students, all visitors must report to the school office in the main school building. To enter, please ring the doorbell on the front doors closest to Rocky River Drive. If no one answers immediately, you may call the school office at 216-251-6841. Students are not permitted to let visitors into the building.

LUNCH/BREAKFAST PROGRAM

Our Lady of Angels School participates in the School Lunch/Breakfast Program through Nutrition Services at the Diocese of Cleveland. The Federal Government subsidizes the cost of meals, which drives the amount to be charged. Low-income families may also apply for free meals or reduced prices if they fall within the income guidelines set forth by the Federal Government.

Approximately two weeks prior to a new month, an order form for the month will be emailed to the families. The form should be completed for each student ordering school meals and families should not attempt to use one form for multiple children. The due date for money to purchase the lunches will also be included on the form. Any student who forgets his/her lunch will be provided with a cheese sandwich in the cafeteria.

If students are going to participate in the breakfast program, parents are to drop students off in the same traffic pattern as previously mentioned in this handbook. After the student has finished breakfast, he/she will be dismissed by a program monitor. Children in PK-1 will be escorted in a group to the primary building.

ARRIVAL/DISMISSAL PROCEDURES

The speed limit on OLA property is 5 MILES PER HOUR.

For the safety of all on school property, it is important that everyone follows the arrival/dismissal procedures. There will be school personnel outdoors each morning at 7:30 a.m. Students may not be dropped off and left unattended in the mornings. During afternoon pick-up, all vehicles must park in designated parking spaces. It is important to establish a routine with your children and identify a place where you will pick them up and/or meet them. Parents are welcome to park and wait for their children immediately outside of the school buildings or in front of the church. Drop off and pick-up at the Franciscan Village Apartments parking is prohibited. Franciscan Village management **will report and tow** unauthorized vehicles on their property.

ARRIVAL/DISMISSAL SAFETY FOR WALKERS

Safety rules are an essential part of any program. Safety rules should be taught in the home and reinforced in the school. There are particular rules and regulations that apply to the school buildings and surrounding areas, and children are advised of these throughout the school year. Adult crossing guards are provided at a limited number of intersections. Safety Patrol guards are stationed in the immediate area of the school. All children who need to cross Rocky River Drive should do so at the Lucille Avenue Crossing.

All children should leave the school premises at dismissal unless they are participating in organized, supervised activities. Children are not permitted to play on school property without adult supervision.

LATE PICK-UP POLICY

Students who are not picked up by 3 pm will be taken to the main school office where they may wait until 3:15 pm. Families whose students are picked up between 3:15—3:30 will be assessed at \$10 late pickup charge, payable when students are picked up. After 3:30 pm, the charge will be \$10 for every 10 minutes.

If students are picked up late more than twice per quarter, families will be required to register their children for the After Care Program.

Arrival Procedures

- **Walkers in PK-1** - Students will line up under the awnings by the primary building. K & 1 will be at the west entrance (closest to the back driveway) and PK will line up at the middle entrance under the awning.
- **Walkers in 2-8** - Students will line up with their classes in front of the church and the school building.
- **Car Riders** - Vehicles should enter through the back entrance by the convent. They will proceed around the back of the primary building following the blue line.

After students are dropped off:

- Students in grades PK-1 should be dropped off in front of the primary building. Parents who need to help their children out of their vehicles may pull into a spot along the back of Linus Hall to do so. Students will join their classmates under the awnings.
- Students in grades 2-8 should be dropped off along the side of the church and will then proceed to join their classmates in front of the church and school.

Dismissal Procedures

- Vehicles should enter the parking lot by the Church past the statue and flag.
- DO NOT PARK IN THE SPOTS ON THE ENTRY LANE UNTIL AFTER 3:00 PM
- Students attending aftercare and other after-school activities will be dismissed to those areas at 2:45pm
- Students in Preschool, Kindergarten and 1st grade will be dismissed from the primary building with their teachers at 2:50pm
- Students in grades 2-5 will be escorted to the front of the church by their teachers at 2:50pm
- Students in grades 6-8 will be released at 2:50pm
- Families may meet their students by the school or church. BE MINDFUL OF VEHICLE TRAFFIC IN DRIVEWAY AND PARKING LOT.
- All vehicles should exit through the BACK and proceed past the SND convent. Vehicles turning right onto Rocky River Dr should stay to the right of the blue dividing line. Vehicles turning left should stay to the left.
- **BE ADVISED** that on Wednesdays, St. Joseph Academy has an early dismissal that coincides with our dismissal. Traffic on Rocky River Drive will be heavier than usual on those days.

Attendance

As per Ohio Revised Code Section 3321, students in grades Kindergarten through 8th grade are required to attend school to meet compulsory education requirements. Legal repercussions for habitual truancy may include fines and court-mandated community service for parents/legal guardians of the child. Additionally, the Ohio Department of Education requires private schools to report attendance of all students receiving a scholarship. If the student does not meet minimum scholarship attendance requirements, the scholarship will be **prorated** and the PARENTS/GUARDIANS WILL BE FINANCIALLY RESPONSIBLE FOR ANY UNPAID TUITION.

When your child is absent, parents/guardians are asked to:

- **Call the school attendance office on the day the child is absent by 9:00 a.m.**

If we do not hear from you, we will contact you to verify your child's absence; if we are unable to reach you, a message will be left, if possible. Please return our call when you receive the message.

- **Provide a doctor's note for absences exceeding 3 days.**

If a child has a chronic condition or illness that causes regular absences, please provide a doctors' note explaining the situation and arrangements will be made for your child.

- **Require your child to complete his/her assignments in a timely manner.**

School assignments missed during the period of absence must be completed and submitted to the teacher. Work missed for one or two days will be given to a student upon his/her return to school.

For extended absences, please contact the school office and the homeroom teacher for instructions.

If a child is absent ten times within one semester (without medical documentation), the parent and/or guardian will receive written notification of the days absent. If the child is absent fourteen or more times within a semester; without medical documentation supporting days absent, the student may be required to repeat the semester, by attending summer school in good standing prior to being promoted to the next grade level. Extended illnesses must be documented by medical professionals; such documentation becomes part of a student's permanent record. In certain circumstances, extended illnesses/absences may lead to the recommendation that a student withdraw from school and complete his/her education via online classes or other alternative methods.

PLANNED ABSENCES

- Whenever possible, medical or dental appointments should be made outside of school hours. In the event that a child must be taken out of school for a medical or dental appointment, the school office must be informed 24 hours prior to the appointment. The child **must be signed out and picked up by an authorized adult. No child is permitted to leave the school building alone.**
- Family vacation days during the school term are discouraged due to the loss of instructional time and the likelihood of a child falling behind academically. When requesting that your children be excused for vacations during the school year, please be advised that it is not the responsibility of the teacher to insure that your children meet assignment deadlines for completing missed work.

TARDINESS/LATE ARRIVAL TO SCHOOL

Children are expected to report to school on time. If your family is running late, contact the school attendance office to inform us ASAP. A child is considered *tardy* if he/she is not present in the classroom for the morning announcements and prayer and the parent/guardian has not called the attendance office. Children in grades 2-8 who are tardy must obtain a late slip from the Attendance Office before reporting to their classroom. Children in PK-1 who arrive late may be brought directly to the primary building.

If a child is tardy 5 times in one academic quarter without prior contact of the school office, an after-school meeting between the family, the homeroom teacher and the principal will be scheduled to create a plan to decrease tardiness.

EMERGENCY SCHOOL CLOSING

In the event of bad weather conditions, watch television or listen to the radio for school closing announcements. A school closing will be clearly noted via local news channels as, “Our Lady of Angels School”. We are not part of the local school system; therefore do not assume that OLA is closed if you should see The Cleveland Metropolitan School District closed. Additionally, Digital Academy will be used to send an email & SMS alert to all registered parent users.

Student Health and Wellness

The purpose of our health services program is to protect and maintain your child's health. To assist us in this a school nurse and a school health aide are scheduled to provide clinic access 5 days a week. The nurse conducts examinations in the areas of vision, height, weight and posture. Scoliosis screening is conducted in order to identify a curvature of the spine most commonly found in adolescence. A part-time health aide will be present on the days our school nurse is not scheduled.

The nurse will provide immediate care for those who become ill or injured during school hours. Please note that this care is not to be intended to be a substitute for medical care. The State Law prohibits nurses to practice medicine, which includes making medical diagnoses of illnesses and injuries and prescribing medication. This is your physician's responsibility.

The school nurse is a liaison between educational and medical personnel. It is essential that parents keep the nurse informed about their child's medical condition. Health records are kept confidential. A physician's report gives a more complete account of the condition itself and what measures need to be taken. The parent needs to request this report from the physician.

Students with a temperature of 100 degrees or more will be sent home and may not return until the child is fever-free for 48 hours. Students who vomit at school will be sent home and may not return for 24 hours.

CONTAGIOUS ILLNESSES

To help control the spread of contagious illnesses, you are asked to keep your child at home if he/she appears to be ill. Symptoms such as cough, sore throat, fever and unexplained rashes are some good reasons to keep your child at home and then take them to a physician for diagnosis and treatment. We also stress the importance of reporting any communicable illness to the school nurse. If a child tests positive for COVID-19, they must be isolated at home for the number of days recommended by the Ohio Department of Health before returning to school. Illnesses such as strep throat, conjunctivitis (pink eye), chicken pox, impetigo, scabies, meningitis, and others, must to be diagnosed in writing by a physician with a re-admittance statement. All students will be asked to have a face covering as part of their school supplies. If a child shows respiratory symptoms at school, they may be asked to wear their face covering to limit the spread of any illness. Disposable masks will be available for student use at school.

STUDENT ILLNESS AT SCHOOL

An Emergency Medical Authorization Form will be given to each family on which the parent must give the home, work, and cell telephone numbers. In addition, an alternate telephone number and people to be contacted in case of an emergency must be given in the event that the parent cannot be reached. In such situations, the child must be picked up at the school office. A child who is ill enough to be excused from school may not walk home without being accompanied by an adult. Emergency information must be updated throughout the school year when/if information changes such as phone numbers, email addresses, or the names of those alternately responsible for students.

FOOD ALLERGIES

Food allergies can be very serious to those that have them. Treats for celebrations (birthdays, etc) must be sealed prior to distribution and consumed at home. A student will do as much as possible to be attentive to avoiding allergens in his/her surroundings.

Parents/Guardians of students who have nut, or gluten allergies or any other food allergies must keep the school informed of any diagnosis related to these food allergens as well as any other health conditions. Parents must provide the school with an Epi-pen if the student is prescribed one by his/her doctor.

IMMUNIZATIONS

The nurse ensures that all children are up-to-date on their immunizations so as to prevent certain communicable childhood diseases. Notifications may be sent home to remind parents of their responsibilities in terms of having their children immunized. The Cuyahoga County Board of Health has a "Vaccines for Children" program that offers important vaccines for children for free or at low cost. For more information, please call them at (216) 201-2000. The administration reserves the right to refuse enrollment if immunization records are not provided in a timely manner.

IMMUNIZATIONS REQUIRED FOR ENROLLMENT:

- 4 doses DPT * (Diphtheria, Polio, Tetanus)
- 3 doses IPV * (Polio)
- 2 doses MMR (Measles, Mumps, Rubella)
- 3 doses Hepatitis B
- 1 Varicella (Chickenpox)

(* An additional dose is required if all doses were given prior to the 4th birthday.)

MEDICATION

State Law requires that no drug, including any over-the-counter medications such as Tylenol, antacids or cough medication and cough drops, be taken at school without written permission from a physician and parent. The specific medication forms must be obtained from the school office and filled out by the physician and parent prior to bringing medication to school. These forms will be kept on file. These requirements must be adhered to for each illness. These forms are required to be updated every school year.

HEAD LICE

The main symptom is unusual or repeated scratching around the back of the neck and ears. The best way to confirm a case of lice is to look for nits. Close examination of the scalp, especially at the back of the neck and above the ears will reveal small, grayish-white eggs. These nits can sometimes be mistaken for dandruff, but they cannot be easily brushed away. Students found to have lice in school will be sent home for treatment.

Please contact the school nurse and the main school office if you suspect a problem and she will also examine the other children in the classroom. Some precautionary measures are to examine your child's hair on a weekly basis and to avoid sharing combs, brushes, hats, scarves and coats.

The school nurse/administration will examine the child's hair before he or she is permitted back in the classroom. We require that all nits be inactive and there are no live lice before returning to school so as to prevent any outbreaks.

Student Policies

Dress Code

There are several reasons for the dress code at Our Lady of Angels. The dress code shows our solidarity with one another and with other Catholic schools that follow similar traditions. The dress code supports the education of each child by minimizing distractions in the classroom. The dress code helps with the safety of students on campus as it is easier to visually identify students on school property quickly in an emergency situation. The dress code of Our Lady of Angels applies during regular school days and is outlined below:

SKIRT AND JUMPER OPTION FOR GIRLS

- Plaid uniform jumper for girls in grades K-4.
- Plaid uniform skirt worn at the natural waist for girls in grades in 5-8
- Solid, plain black leggings or tights (footed or non footed) may be worn under the skirt or the jumper.
- Shorts should be worn under the skirt/jumper especially if leggings are not.
- Length: Skirts/Jumpers must reach to the tips of the student's fingertips when her arms are at her sides.

UNIFORM FOR BOYS AND GIRLS

Pants

- Solid navy or khaki-colored uniform straight leg dress slacks or corduroy pants. Pants should be of a standard fit (not skin-tight or baggy) and may not be cargo pants.
- A black, brown or navy colored belt must be worn by students in grades 5-8 if their pants have belt loops. Decorative belt buckles are not permitted.
- Students in grades K-3 may wear pants with an elastic waistband.
- *Instead of pants, girls may wear a jumper or skirt. See the section above this one*

Shirts

- Students may wear solid colored polo shirts of the following colors: White, Powder Blue, Navy Blue, Hunter Green. No other shades of blue or green are permitted.
- Students in Grade 8 may wear a collared, button-down shirt with a tie. The shirt may be one of the following colors: White, Powder Blue, Navy Blue, Hunter Green. No other shades of blue or green are permitted. Any words/imagery on the tie must be appropriate for a Catholic school.
- Shirts may not have writing or pictures on them. Shirts with a small brand logo embroidered on the front breast are permitted (IZOD, Polo, etc)
- All shirts must be tucked in.

Sweaters

- Cardigan, crew or v-neck sweaters are permitted to be worn over the regular uniform shirt during colder months.
- OLA-branded sweatshirts are permitted to be worn over the regular uniform shirt.
- Non-OLA sweaters must be solid Black, Gray, Navy Blue, Hunter Green in color with no logos or imagery other than a small brand logo on the front breast (IZOD, Polo, etc)
- **Hooded sweatshirts of any kind are NOT PERMITTED TO BE WORN IN THE SCHOOL BUILDING.** Hooded sweatshirts are permitted to be worn outside during recess and before/after school.

Socks

- Students must wear solid black, white, gray or navy colored socks that cover the ankle.
- Socks are not required for girls wearing footed leggings or tights under a skirt or jumper.
- Patterned socks are not permitted.

Shoes

- Shoes should be solid white, black, gray or brown in color.
- Shoes must have closed toes and heels, non-marking soles and be cut at or below the ankle (no boots)
- Sperry/Boat shoes are permitted as long as they are an appropriate color (see above).
- 2-tone leather dress shoes (like oxford shoes) are permitted.
- Heels higher than 1" are not permitted.
- All shoes must be safely tied/velcroed throughout the school day.

Uniform Shorts/Skorts

- During the months of September and May students are permitted to wear shorts instead of pants, jumpers or skirts. Girls may also wear skorts (hybrid skirt/shorts) during these months.
- Shorts/Skorts must be solid navy or khaki in color. and may not have cargo style pockets on the sides.
- Length: Shorts/Skorts must reach to the tips of the student's fingertips when their arms are at their sides.

- A single necklace worn under the shirt is permitted
- Smartwatches that are capable of sending and receiving text messages are not permitted.
- A single ring and bracelet is permitted to be worn on each hand.
- The only fingernail polish colors that are permitted are pale pink, clear or tan. Artificial nails/acrylics are not permitted.
- Hats and other outerwear may not be worn in the building during the school day.
- Tattoos, whether temporary or permanent, are not permitted.

Hair

- Hair may be dyed or highlighted but it must be a natural color and any highlights must be a natural color. For example, hair or highlights that are pink, blue, unnatural red, orange, etc are not permitted.
- Extreme changes from one color to another, like ombré, are not permitted.
- Haircuts should not impede the vision of the student.
- Designs, patterns, words, etc may not be cut into hair.
- Excessively styled, spiked, mohawk, or unkempt hair is not permitted.
- For boys, hair must be cut above their collars and eyebrows
- Facial hair is not permitted.
- Any student not in compliance with the uniform code regarding their hair will be issued a demerit and will be given one weekend to correct the problem. If the student is not in compliance after the weekend, they will not be permitted to return to school until they are in compliance.

PHYSICAL EDUCATION UNIFORM

PE Uniform

- Shirt - Students may wear an official OLA branded t-shirt or a plain white, gray, navy blue, hunter green t-shirt with no logos or writing.
- Shorts - Students may wear official OLA branded gym shorts or plain gray, navy blue or hunter green shorts with no logos or writing.
- Sweatpants - Students may wear official OLA branded sweatpants or plain gray, navy blue or hunter green pants with no logos or writing.
- Shoes - Athletic shoes with non-marking soles are permitted.

The PE Uniform is to be worn to school by students in grades K-8 on days that they have physical education class. They will not be changing their clothes during the school day.

ADDITIONAL DRESS CODE INFORMATION

Non-Uniform Days

Occasionally there will be days where students are permitted to be out of uniform by “dressing up” (Picture Day, Graduation, etc.) or “dressing down”. On these days students must follow certain rules:

- Tank, sleeveless or narrow strap tops may not be worn. No cold shoulder tops. Shoulders must be covered.
- Tops that have low-cut necklines or that expose bare midriff when sitting, stretching, bending, stooping, etc. may not be worn.
- Skirts, dresses, shorts and skorts must be reach the fingertips when the student’s arms at her sides
- Writing on clothing may not contain vulgar and/or inappropriate wording, pictures, gestures.
- No sandals (including flip flops).
- Beachwear type clothing is prohibited.
- No leggings are permitted to be worn as pants

Condition of Uniforms

Shirts, pants, gym uniforms and shoes should be clean, neat and in good condition. No ripped, torn, or excessively worn clothing may be worn. All uniforms should fit the student comfortably.

Any clothing or accessories not addressed in this policy are not permitted to be worn/used at school. The principal and the pastor of OLA reserve the right to alter the policy and will make the final decision regarding the appropriateness of student appearance while at school.

Code of Conduct

Discipline is the companion and result of the infusion of gospel values. It is a recognition of human dignity and the rights of others. We believe that discipline should be self-motivated. Children must be convinced that the rules of the school aim at safeguarding rights and liberties rather than curbing them. If children are to learn, they must be in an environment that promotes Christian values of worth and respect.

A student comes to school so that he/she may develop his/her individual capabilities to the fullest and become the best person that is possible for him/her to become. To achieve this, a student must:

- Accept responsibility for his/her own actions.
- Be respectful and polite to classmates.
- Be respectful and polite to teachers, school staff and adults in the building.
- Be respectful and careful with school and personal property.
- Do not run or engage in horseplay in the halls or classrooms.
- Bring all required materials to class each day including assignments.
- Comply with the uniform code each day.
- Follow the policies outlined in this Parent/Student Handbook.
- Follow classroom policies established by each teacher.
- Attend all school classes and required activities during the school day.

ELECTRONICS & CELL PHONES

All electronic entertainment devices must be kept in a student's book bag in the off mode during the school day. These items will be confiscated and held in the school office until claimed by a parent if they are used during the school day.

Cell phones must be turned off when a student is on school/parish property. Teachers will collect cell phones and keep them in a secure place within the classroom throughout the school day. It is the student's responsibility to turn in and pick up cell phones daily. Cell phones will be taken from students who choose to use them without permission. The cell phone will be sent to the principal's office, where it must be picked up by a parent/guardian.

BIRTHDAYS AND OTHER CELEBRATIONS

Gifts/treats that students bring to school to celebrate a birthday or other special occasion may be edible or non-edible. Edible treats must be sealed and consumed outside of school and after a parent/guardian has had a chance to make sure that there are no allergens that would affect the student.

CONDUCT OUTSIDE OF SCHOOL

The actions of students when outside the school building reflects upon the school community. Students should not engage in inappropriate and disruptive behavior on the property of neighbors in the community. If such conduct is reported to the school, the situation will be investigated; parents of those involved will be contacted and disciplinary action may result.

DIOCESAN POLICY REGARDING POSSESSION, SALE, USE OR ABUSE OF DRUGS OR ALCOHOL

The Cleveland Catholic Diocesan School Board recognizes that alcohol and drug abuse is a serious societal problem which does not respect any group or age, and that the dependency stage of alcohol and drug abuse is a treatable illness. Health and social problems of youth are primarily the responsibility of the family.

As educators in the Church, we, in an effort to provide a drug free environment, call ourselves to charity and compassion for the sick and concern for each student. We also recognize that we have an obligation to the common, as well as the individual, welfare of our pupils. Continuing education programs for parents, teachers and students convey the message that drug and alcohol abuse is harmful and usage is not

permitted. Prevention programs are implemented at all grade levels. Appropriate sanctions are to be imposed on those who violate any of the provisions of this policy or any local law or state concerning illegal substances.

POLICY ON STUDENT CRIMINAL ACTIVITY:

Students who are found to have engaged in criminal activity on school property will be reported to appropriate civil authorities. The parents/guardians of the student will also be informed immediately in such situations. Our Lady of Angels will fully comply with any lawful investigations conducted by local authorities.

HARASSMENT POLICY

The pastor, administration and staff of Our Lady of Angels School believe that all employees and students are entitled to work and study in school-related environments that are Christ-centered and free of harassment. Our Lady of Angels School will not tolerate harassment of any type. If harassment occurs, the appropriate disciplinary action will be taken. Disciplinary action may include suspension or expulsion. Examples of harassment include, but are not limited to, verbal or written taunting; bullying; other offensive, intimidating, hostile or offensive conduct; jokes, stories, pictures, cartoons, drawings or objects which are offensive, tend to alarm, annoy, abuse or demean an individual or group.

SEXUAL HARASSMENT

Our Lady of Angels School and the Diocese of Cleveland is firmly committed to providing a safe, positive learning and working environment for everyone in the school. For this reason, and in keeping with the goals and objectives of Catholic education, Our Lady of Angels School expressly prohibits sexual harassment and sexual violence in the school environment. This policy re-emphasizes the personal dignity of the individual and fosters positive sexual attitudes and respect for others.

For the purpose of this policy, sexual harassment includes the following specific instances: verbal sexual abuse; disseminating obscene or sexually explicit material, whether in the form of music, written lyrics, pornographic pictures or other literature, or having such material in one's possession in the school, on school grounds or at school-sponsored activities; obscene or sexually explicit graffiti anywhere in the school or on the school/parish grounds, continuing and unwanted written or oral communication directed to another of a sexual nature; spreading sexual rumors/innuendos; obscene T-shirts, hats, or buttons; touching oneself sexually in front of others; obscene and/or sexually explicit gestures; and any other inappropriate behavior of a sexually explicit or obscene nature that demeans or offends the recipient. The above list is not meant to be all-inclusive, but is intended to provide guidance as to what may constitute sexual harassment. Isolated, trivial incidents are not sufficient to constitute harassment and will be handled according to the student behavior code.

Allegations of sexual harassment (as defined above) are to be reported to the teacher and the principal. Parents of both the offender and the victim will be informed of the allegations. The matter is to be kept confidential by all parties involved, and every effort will be made to protect the alleged victim from retaliation. The parents of both the offender and the victim are obligated to cooperate in remedying the situation.

If the allegations are substantiated, disciplinary actions will be taken. These will depend on the nature, frequency and severity of the action, the ages of the offender and victim, the history of similar actions by

this individual, and the circumstances in which the harassment occurred. Possible disciplinary actions may include but are not limited to any or all the following:

- Verbal warning/reprimand and apology to the victim
- A parent/student/principal conference
- Written warning/reprimand & parent notification, entered in the student's file
- Detention or removal from selected school activities and/or extracurricular activities
- Behavior/probation contracts, possibly requiring professional intervention
- Suspension
- Expulsion

SEXUAL VIOLENCE

Sexual violence is handled separately because of its potentially criminal nature. If an incident of sexual violence occurs, the principal, pastor, or other school authority is required under state law to report the incident (O.R.C.2151.421). The Department of Human Services and the police will be contacted immediately if there is any "reason to believe" (O.R.C.2151.421) that sexual abuse or violence has occurred involving a child less than eighteen years of age. The Diocesan Legal Office will be contacted immediately in these situations.

Generally sexual harassment should be construed as sexual violence when: the recipient is physically touched without his/her consent in a sexual manner; is expressly threatened or perceives a threat of physical harm for purposes of the offender's sexual gratification; or is the victim of sex offenses under Ohio law, including Gross Sexual Imposition (O.R.C.2907.05), Sexual Battery (O.R.C.2907.03), Rape (O.R.C.2970.02), Importuning ((O.R.C.2907.07), Voyeurism (O.R.C.2907.08), Public Indecency (O.R.C.2907.09), or Felonious Sexual Penetration (O.R.C.2907.12) as examples. In each one of the above examples, the Department of Human Services and the police will be contacted immediately.

WEAPONS POLICY

Our Lady of Angels expressly prohibits the use, possession, sale, or discharge of any weapons or explosive devices in the school, on school grounds, or at school-sponsored activities. This policy shall apply to all students, participants in parish programs, teachers, administrators, and other personnel in the school or parish. This policy includes, but is not limited to, any firearm, knife, deadly weapon, or explosive or incendiary device. As defined by state law, a deadly weapon is "any instrument, device, or thing capable of inflicting death, and designed or specifically adapted for use as a weapon, or possessed, carried or used as a weapon" (O.R.C.2923.11A). Firearms shall include any loaded or unloaded gun of any caliber or type. This prohibition also includes any pistol, rifle or other device that uses air or gas propelled projectiles. Violations of this policy may warrant notification of the police, immediate suspension, and possible expulsion. If possession of a weapon is suspected, the principal or other administrator will immediately contact the police department and the Diocesan Legal Office. If it is determined that this policy has been violated, the parents of the offenders shall be immediately contacted and must cooperate with the disciplinary process.

STUDENT THREATS

Any and all student threats to inflict any harm to self or others must be taken seriously and immediately.

- a. Whoever hears the threat will report it immediately to the principal.
- b. Police will be notified immediately.
- c. The student will be kept in the principal's office under supervision until the police arrive.
- d. The parent or guardian of the student who has made the threat will be notified

- immediately.
- e. The student will be suspended and not permitted back into school until there has been a psychological evaluation and receipt by the school principal of a written statement from a psychologist that the student is not/does not pose a danger to self or others.
 - f. Any adult or the parent/guardian of any students who have been verbally mentioned as potential victims or listed in writing as potential victims will be notified immediately.
 - g. Additionally, should a threat be made, the school could require counseling for students involved after obtaining parental permission.

Discipline Policy

Actions that may subject a student to discipline include violations of policies outlined in the Parent/Student Handbook, any action contrary to Catholic teaching or values whether or not specifically listed in the Standards of Conduct, and any action that is an offense against dignity of another person whether or not specifically listed in the Standards of Conduct, all as determined in the sole discretion of school administration. Final disciplinary decisions are determined in the sole discretion of school administration and may include a combination of disciplinary actions.

Discipline in grades K-2: Discipline in grades K-2 is handled through communication between the teacher, student and parent/guardian. The consequences of misbehavior in the K-2 classrooms are outlined by the specific classroom policies of the teacher. The school administration will be involved to support the teacher.

Demerits: Demerits may be issued to students in grades 3-8 for any of the following infractions: dress code violations, disruptive behavior, disrespect, horseplay and not following classroom rules.

Detentions: Detentions may be issued to students in grades 3-8 for flagrant or repeated violations of school or classroom policy. Any infractions that would earn a demerit may earn a detention instead, if they are repeated or flagrant. A student will earn an automatic detention for every 3 demerits received during one academic quarter. Detentions are for 30 minutes and are to be served before school from 7:10 - 7:40am on the designated day. Immediate detentions may be assigned for the following infractions: Disrespect to adults in authority, foul language, bullying, horseplay that results in injury or damage, talking or misbehaving during safety drills.

Behavior Contract: A behavior contract is a document that serves as an agreement between the student, parents/guardians and the school. A behavior contract may outline specific expectations for the particular student as well as desired outcomes and/or consequences.

Suspensions: Suspensions occur when student infractions are serious enough for the student to be removed from the education environment for one or more days. Suspensions may also be assigned for if a child receives 3 or more detentions in an academic quarter. Suspensions may be served in school or out of school for one, two or three days depending on the circumstances and the severity. Suspensions of a longer period of time are at the discretion of the administration. Suspension reports are included in permanent student records and are transferred to the student's next school. The following is a list of infractions that merit a suspension. This list is not all inclusive and suspensions will be assigned for other infractions at the discretion of the administration:

- Stealing

- Fighting
- Attacking another student
- Continual disrespect toward students or adults
- Destruction or defacing of any school property
- Smoking/Vaping
- Disruptive behavior
- Forgery of parental signature
- Accumulation of detentions (per quarter)
- Gambling
- Possession and/or viewing of inappropriate media on school grounds
- Possession of a weapon (real or not) on school grounds

Academic progress should be independent of student behavior but student conduct can indirectly impact their academic workload. If a child misses any assignments because of a school suspension, it is the RESPONSIBILITY OF THE STUDENT to make up that work on their own time. Teachers will not extend any deadlines for a child who has missed class due to a suspension.

Emergency Removal: A student may be sent home immediately if the situation warrants danger to the student, other students or adults. Parents will be called to come for the child. A conference must be scheduled for re-admittance to the classroom.

Expulsion: A very severe and usually the last resort in the discipline process. Expulsions become part of a student's permanent record. The following behaviors may lead to, but are not limited to, expulsion:

- Involvement in drugs and/or alcohol
- Possession of weapons of any kind, explosive devices, or any other dangerous objects
- Continual suspensions (three in one semester)
- Promoting criminal activity
- Emotional or bodily harm to others
- Any other serious actions deemed so by the administration

The administrative team will discuss any possible return of a student who may have faced an emergency removal. Every measure will be taken to be sure that the student is ready and able to return to the school. A re-entry will only be granted if appropriate steps have been taken to assure the safety and welfare of all students. If determined by the administrative team that the student is potentially harmful to self or others, either physically or emotionally, there will be no re-entry deemed to the removed student.

Parent Policies

We expect parents to be involved as much as possible in school activities. Parents are encouraged to volunteer to help in the classrooms, library, in the lunchroom and as Safety Monitors in and around the school grounds. All volunteers must submit verification of attending the Virtus program and show proof of continued reading/responding to the articles that are part of the Virtus program, as well as signing the two required documents related to child safety. Volunteers must also submit a current BCI/FBI fingerprint background check. **The Parent-Teacher Unit (PTU)** provides an important link between the home and school. Parents are asked to join the PTU and become involved in its activities. All parents are encouraged to attend PTU meetings and PTU sponsored events throughout the school year.

FAMILY/CUSTODIAL SITUATIONS

Parent cooperation and communication is an essential function of our school. School personnel regularly send home notices, communications, important papers, etc. with the child. This information includes but is not limited to conference appointments, report cards, mid-quarters, administrative communications, and tuition statements. Regardless of the family situation, it is our expectation that parents are communicating regarding the child's education and related information for the best interest of the child. Therefore, one copy of school communications will be sent home with the child and should be shared by and between the parents.

A recent separation of parents or divorce frequently impacts a child's achievement and interactions at school; therefore, parents are requested to inform both the principal and the teacher of this fact so that support may be provided to the child. If a court order related to your child is issued at any time during your child's tenure at our school, we request that you immediately provide the school administration with a copy of the entire decree bearing the case number and bearing all signatures. We will comply with the requirements of valid court orders.

Further, you should realize that unless restricted by Court Order, all parents have the right to access school records and attend their child's school activities, including class programs and sports. Parents should keep each other informed as to these activities to avoid duplication of communications. Also, please note it is preferred and will be the general procedure that one conference appointment be scheduled 'jointly' if both parents wish to be present. It is assumed that the parents can set aside differences and to come together on behalf of their child for this time. A joint conference further ensures that both parents are given the same information at the same time, thereby avoiding misunderstandings and misinterpretations.

If there are questions concerning this statement of procedures or circumstances that you feel necessitate other arrangements, please contact the principal.

PERMISSION FORMS

All students are required to have permission forms completed by parent and or legal guardian for any off campus field trips or activities. Permission forms will be supplied by the teacher when needed for field trips or activities. Such permission forms may also be available online. Signed permission forms must be returned by the specified deadline in order for a student to take part in the event. Verbal permission given by phone or in person is not permitted to take the place of written permission forms.

RELEASE OF STUDENTS

In the case that students need to be picked up by someone other than the parent or legal guardian from school, the school office must receive written or verbal confirmation from the parent or legal guardian. All students are required to have permission forms completed by parent and or legal guardian for any off campus field trips or activities and the school office. A photo ID may be required of anyone when picking up students.

VISITORS TO THE BUILDING

All visitors must report to the school office, sign in and obtain a visitor badge upon entering the building. All visitors must ring the doorbell at the main entrance of the school building before entering the building. If the secretary is unavailable, please call the office at 216-251-6841

VOLUNTEERS

We encourage volunteering by our parents. All volunteers are required to complete the Virtus program, continue to read/respond to Virtus articles, and to be BCI/FBI fingerprinted through the State of Ohio. While Virtus records may be transferred from other schools/parishes, fingerprint records must be current and sent directly to Our Lady of Angels; they are not able to be transferred from other schools/parishes/businesses. More information is available through the rectory office at 216-252-2332.

Student Services & Programs

EDUCATIONAL SERVICES

To meet the needs of all of our students, Our Lady of Angels uses various funding sources to provide the following services to support student learning: a speech/language pathologist, a school psychologist, a social worker, a school counselor, intervention specialists, an academic tutor, and a Title I basic skills teacher.

AFTER-SCHOOL PROGRAM

Our Lady of Angels School provides extended day care for the students of working parents through the After School Program. Information regarding registration and attendance in the After School Program is available in the main school office. The After School Program operates from 2:50 until 6:00 on regularly scheduled school days.

COMPUTER EDUCATION

Students will have access to Chromebook devices and/or tablets in their regular classrooms. Additionally, all students in the school (Grades K-8) attend computer classes in the computer lab in the main school building. Internet access is available for research and guided class instruction. Students can use school devices to access their Digital Academy accounts to check their grades and check assignments, and to store/retrieve data. Each student is assigned a Google Apps for Education account that they will be able to access using school devices as well as computers at home and off campus. All students must abide by the rules outlined in the ACCEPTABLE USE POLICY and an acknowledgement of that policy must be filed with the school office each year.

Extracurricular Programs

LITURGY SERVERS

The Mass-serving program at Our Lady of Angels School begins during the first semester of fifth grade. All Catholic students are encouraged and invited to join. It is expected that all servers fulfill the requirements and responsibilities provided at their orientation and training.

FINE ARTS COUNCIL

FAC exists to enhance our students' experience at OLA by providing theatrical, musical and religious programs and workshops.

SAFETY PATROL

The sixth and seventh grade students of Our Lady of Angels School serve as crossing guards during arrival and dismissal.

STUDENT AMBASSADORS

The Student Ambassador Program of Our Lady of Angels School is available to students in Grades 7 - 8 who have qualified based on teacher recommendation, completion of an application, and a formal interview with the Student Ambassador Committee. Space is limited each school year for this program. Students must possess a commitment to the program, the school, and represent his/her fellow students during their time on the Ambassador Team. The members serve the school and participate in various projects and activities.

Members of Student Ambassadors may be removed from participating if they fail to uphold the values and responsibilities of this program.

VARIOUS OTHER CLUBS/ORGANIZATIONS

Students in grades K-8 may become members of various clubs and organizations at Our Lady of Angels School. Some of these clubs/organizations may meet during the school day or after school. There will be a designated period of time to sign up and become members of the group. Membership may be discontinued if a student fails to attend scheduled meetings without cause.

COLLECTIONS/FUND-RAISING

Children attending Catholic schools in the Diocese of Cleveland are encouraged to contribute to the missions as well as to individuals who solicit our help. However, it is up to the individual child's zeal for the missionary cause as to what extent he/she wishes to participate. Along with the monetary donations, all are expected to pray daily for the missions.

SERVICE HOURS

All students are encouraged to serve others as part of their religious education and beyond. Students in grades K-8 are expected to participate in various service opportunities throughout the school year. Written notification will be sent to parents when such service may require students to travel off school property. Many service projects are completed as part of the daily school schedule and may not require parent notification or permission forms.
