*"We have had a great experience at OLA. We have 3 kids in the school from 3rd grade to pre-K and we've been here for 3 years. We love the school, the teachers and the community they foster. I feel that the teachers are quick to jump on issues that you make them aware of. They are very easy to communicate with and extremely responsive. Our children have not only received an education, but they've received care and kindness and taught how to be great people by example."*

**-Kristi, 3rd, 2nd, and PK-4 Parent**

*"Both of my boys have thrived at OLA. The teacher and faculty commitment to the kids has been unwavering."*

**-Amanda, 7th grade parent. St. Edward parent**

*"When my son comes home each day, he tells me all about the friends that he's made and the new things that he's learning. I love how much OLA has welcomed him!"*

**-Jen, 2nd grade parent**

**Enrollment for the 2023-2024 school year is now open at OLA!**

Scholarship options are available to cover the cost of tuition. Contact us to find out more about our dynamic learning community that is grounded in the Catholic faith.
