By Taylor Popil

Thanksgiving is coming up, which means another break from school! Although many families at OLA do celebrate it, some don't. Now for the families that do celebrate Thanksgiving, there are many different foods eaten. Now, let's take a look at what some students at OLA have to say about thanksgiving! A message from Liam Campanella, "It is about being thankful for needs, families, and the stuff we have. Kenya Frazier offered this heartfelt message, "I love my mom's macaroni and cheese!" These are some of the OLA students' favorite foods served during Thanksgiving! "My favorite Thanksgiving food is mashed potatoes," says Lillian Telban. Benicio Cosme tells us, "My favorite food at Thanksgiving is ham." Lastly, Amayah Jones concludes, "My overall favorite food served at Thanksgiving has to be...baked macaroni." Many families have different traditions, such as going to a certain family member's house or having a certain food first or last. Even maybe playing some sort of game. to spend with family, eat food, and be thankful for the ones you have. Let's remember to help out with preparing the large meal! Have a filling Thanksgiving OLA!

## *Veterans Day*

By Alyssa Bihn

Veterans Day is a ceremonial day that we celebrate to honor the people who were serving in the military, veterans who were lost at sea, and many more who serve for the U.S.A to protect us. "It's fun to be with my uncle because he tells me things about what he did as a veteran," said Liam Campanella. Fun fact about Veterans Day: NOT the same as Memorial Day, a lot of Americans get this confused. Memorial Day is a time to remember those who gave their lives for our country, in battle or from wounds they suffered in battle. Veterans Day honors all of those who have served the country in war or peace, dead or alive. Remember to thank the veterans, not just on Veterans day, but everyday!
