We could not be happier with the Our Lady of Angels preschool program. As a parent you want your child's first experience with school to be filled with joy and wonder and also feel confident in the educators you're leaving them with. From day one we've seen firsthand the genuine warmth and love the teachers and staff have for each student. They take the time to get to know your child and treat them like they would their own family.

- Tess, PK-3 parent

"We can't say enough great things about the OLA preschool program. The teachers and staff are just extremely kind, caring, nurturing, special people. The communication is easy and consistent between teacher and parent. My daughter has learned her ABC's in sign language as well! She is so excited to get up and go to school and to learn and see her teacher. It's a wonderful place to be a part of!"

- Kristi, 3rd, 2nd, and PK-4 Parent

Our Lady of Angels Preschool provides a nurturing, faith-based environment using developmentally appropriate activities and materials. We prepare 3, 4, and 5 year old children for Kindergarten using a wide variety of activities. Our program encourages student growth through creative activities, social interaction, and a student/teacher ratio that facilitates one-on-one instruction.
