

Food Drive

By: Alyssa Bihn

In November, OLA collected food for the UCC Thanksgiving food drive. 8th graders brought in canned sweet potatoes. 7th graders brought in pumpkin pie filling. 6th graders brought in cream of mushroom soup. 5th graders brought in chicken broth. 4th graders brought in corn muffin mix. 3rd graders brought in canned green beans. 2nd graders brought in canned corn. 1st graders brought in instant potatoes. Kindergarteners brought in stuffing mix. Pre-K brought in jars of gravy. The food drive helped area families celebrate Thanksgiving.

Fall Sports Rally

(COTM)-Lego Club

By Alyssa Bihn

Here at OLA we have many clubs. One club is our Lego Club. In Lego Club students get to use their imaginations and create things. The club meets every other Tuesday. The club members enjoy doing all the activities that they can do. They can create characters and buildings. It's all about using your imagination.

Veterans Day

By: Alyssa Bihn

Veterans Day is a day that we celebrate to honor the people who were serving in the military. Some veterans were lost at sea and many more served for the US to protect us. At OLA we make sure to honor our veterans. We have a special mass honoring them and their service. The Mass falls on Veterans day or the closest Wednesday to it. The homily makes sure to address the Veterans and their service. The petitions do so as well. After mass, there is usually donuts and/or coffee and such in Linus Hall or the primary gym. Students submit pictures of their family members who are veterans, which then create a "Veterans Wall."
